Reviews

"Darren is very friendly, and drum lessons with him are a blast! I really learn a lot being taught by Darren. His lessons are great!"

–Jack Hogan

"It is my privilege to have Darren as a teacher, mentor and guide. He knows how drums and other instruments should fit together and is able to demonstrate and articulate that in his teaching."

–John Srskta

"Darren is open to what I want to learn. There is always something new to learn at lessons, from rudimental skills to fills, to playing along with your favorite drummer. His feedback helps me learn my strengths and weaknesses."

–Dalonda Dalin

"Thanks for teaching me how to play the drums, Darren. I've learned a lot! I will continue to try to practice often."

–Karen Tim

"Darren's lessons are well-organized, to the point, informative and very practical. Best of all, he covers topics that other instructors or drum students may have neglected in the past."
